FYI, I just talked to David and he sent me these suggested edits from OW. They really make the case stronger that OW will not be impacted, so good additions.

He asked me to send him an email asking for an update and timing, so he can use it to push for a timely response. I'll do that and cc ya on the email.

Happy New Year Dave,

Thanks for the thoughtful draft approach to send to the principals for concurrence. I have made a few edits --- see attached. If you make these edits, I will recommend to my principal that OW should concur.

Happy to discuss. Thanks.

Subject: ORR Approach for Principals

All --

FYSA, we're asking Carlton/Barry to send the attached approach to the Principals for their concurrence. We believe it addresses the issues in a manner consistent with our discussions and acceptable to all the Offices. I hope you all have a safe and happy New Year!
